

LUCA PONTEPRIMO

Backend Developer junior

+393513624570 • ponteprioluca@gmail.com • lucaponteprimo.vercel.app • Siracusa, Italia

About me

I am an efficient, effective, focused and autodidact person with a great capacity for learning. I enjoy challenges because they allow me to showcase my skills and acquire new knowledge.

I believe that teamwork is fundamental in life; I see myself as someone capable of adapting or managing to different work groups under various circumstances, even those involving working under pressure.
